

Introducing our new Squash Club Captain

Mike Bradley

A big thanks to Bill for his great work over the past 4 years. Certainly, some big shoes to step into!

This is just my 4th year at the Club but the way my family and I have been welcomed, it seems like a lifetime.

My highlights thus far are Thursday night battles (and banter) at Inter-house squash and the more social Business House tennis at the start of this year.

Previously I played out of the Howick Squash Club for 40 years. During that time I was for periods of time on the committee, Club Captain and President—not to mention Club Champ 36 years ago.

I have been actively involved in playing in and running National and Auckland Doubles tournaments – Doubles Squash being a particular passion of mine.

I look forward to being a part of fostering the Squash playing activity within the wider Club.

I am open to all suggestions to assist in this.

Thurs 23rd May Defib Machine Demonstrations

The lovely Lianne (one of our members who is a qualified nurse), will be available on Thursday evening to demonstrate how to use a defibrillator, for those of you interested in learning about this crucial life-saving skill.

She will be located upstairs in front of the kitchen and will be available throughout the evening, for small group demonstrations.

Just pop over in between your games or after you've smashed back a burger and fries!

News & Updates

Lost Property

There is a huge amount of lost property in the 'Lost Property' Cupboard upstairs by the kitchen that needs collecting!

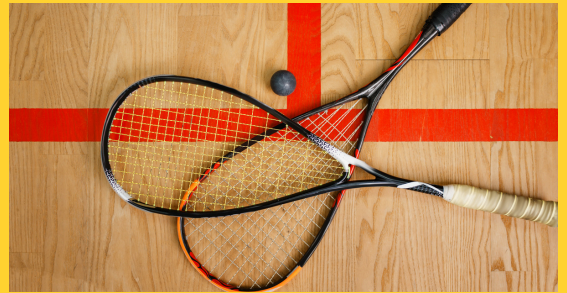

The lovely Philippa Potaka has sorted, folded and photographed all the items to make it easier for you to identify your belongings.

There are a ton of drink bottles and sweatshirts as well as shoes and glasses.

Photographs of the individual items will be sent out in a separate email with the subject 'LOST PROPERTY ITEMS' so please keep an eye out for it in your inbox!

Any items not collected by the end of May will be donated to charity.

Squash Ball Machine

The 'Hurricane' ball machine is ready to roll.

It's located outside Squash Court 1 and cost to use is \$10 per hour.

If your interested in using it please contact Bill Boyce for instructions on how to use and lock code.

Congratulations Nikhil, Harrison, Mahe & Storm!

The Mahurangi College Junior Boys Squash team (who are all members of Warkworth Rackets), won this year's Northern Intermediate School Squash Zone day held at North Shore Squash Club.
